IN RE: Application of Leading Edge Enterprises,	)	ORDER
Inc. for a Certificate of Public	)	GRANTING
Convenience and Necessity to Provide	)	STAFF REQUEST
Resold Telecommunications Services in the	)	
State of South Carolina.	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request by the Commission Staff for instructions on how to proceed in the above referenced Docket.

On May 9, 1995, the Commission held a public hearing on the Application for a Certificate of Public Convenience and Necessity to provide resold telecommunications services within South Carolina filed by Leading Edge Enterprises (LEE or the Applicant). During the course of the hearing, the witness for LEE testified that LEE may have inadvertently completed some intrastate calls. The witness, however, could not quantify the amount of revenues collected for these completed intrastate calls. Staff Counsel requested that LEE gather the information concerning the amount of these completed intrastate calls and that LEE file an exhibit with the Commission setting forth this requested information. The witness for LEE agreed to Staff's request, and a hearing exhibit was reserved for the late-filed exhibit from LEE.

Staff now informs the Commission that it has contacted the witness for LEE to request that the information regarding the completed intrastate calls be forwarded to the Commission. Staff has not yet received the requested information and now seeks instructions from the Commission on how to proceed in this matter.

Upon consideration of this matter, the Commission orders LEE to file the exhibit showing the amount of intrastate revenues collected in South Carolina. The Commission approved the filing of the late-filed exhibit and expects the Applicant to provide the information requested at the hearing. The Commission further orders that LEE file this exhibit with the Commission by September 14, 1995.

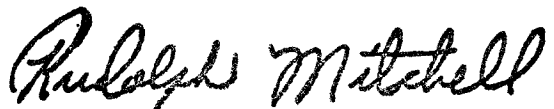

IT IS THEREFORE ORDERED THAT:

1. Leading Edge Enterprises shall file its exhibit setting forth the amount of intrastate revenues collected in South Carolina.

2. Leading Edge Enterprises shall file its exhibit concerning intrastate revenues in South Carolina by September 14, 1995.

3. This Order shall remain in full force and effect until further Order of the Commission.
